## 3<sup>rd</sup> ANNUAL FORECAST LUNCH

June 15, 2009 | São Paulo (SP) - Brazil

### Palestrants Profile

#### Marc Faber

**Editor and Publisher of The Gloom, Boom and Doom Report**

- ✓ Dr Marc Faber was born in Zurich, Switzerland. He studied Economics at the University of Zurich and, at the age of 24, obtained a PhD in Economics magna cum laude. Since 1973, he has lived in Hong Kong. From 1978 to February 1990, he was the Managing Director of Drexel Burnham Lambert (HK) Ltd.
- ✓ In June 1990, he set up his own business, MARC FABER LIMITED which acts as an investment advisor, fund manager and broker/dealer. Dr Faber publishes a widely read monthly investment newsletter "THE GLOOM BOOM & DOOM" report which highlights unusual investment opportunities
- ✓ Is the author of several books including "TOMORROW'S GOLD – Asia's Age of Discovery" which was first published in 2002 and highlights future investment opportunities around the world. Dr. Faber is also a regular contributor to several leading financial publications around the world.
- ✓ A regular speaker at various investment seminars, Dr Faber is well known for his "contrarian" investment approach. He is also associated with a variety of funds.

#### Willis Sparks

**Global Macro Analyst at Eurasia Group**

- ✓ Mr. Sparks is an analyst in the global macro practice at Eurasia Group. Previously, he covered issues related to terrorism and national security at the Council on Foreign Relations.
- ✓ He holds two Bachelor of Arts degrees from Brown University and a master of international affairs degree, specializing in international security policy and the study of the former Soviet Union, from Columbia University's School of International and Public Affairs. He also holds a master's degree in international relations from the Institut d'Etudes Politiques (Sciences Po).
- ✓ Mr. Sparks's presentation, which takes a look at global political risk and emerging markets, will examine longer-term geopolitical trends and the likely implications of US foreign policy under the new administration.
- ✓ Mr. Sparks will also provide an analysis of current internal political dynamics in countries with important implications for investors.
