

FitchLearning

Bringing expert training to members of CFA® Society Calgary

Fitch Learning is the worldwide leader in financial education, providing end to end solutions for a wide range of technical training and exam based qualifications. Operating on a truly global scale, we have training centres in London, New York, Singapore and Dubai – plus our dynamic online learning platform allows our training to be delivered anywhere in the world. With the largest full-time faculty of CFA charterholders in the business, we bring years of experience to our training.

CFA® Exam Preparation

Focus on the key areas you need to pass the exams and gain detailed guidance from industry experts. Whether you study in class or virtually, we will help you break down the syllabus into manageable phases to maximize learning.

Choose a study option that suits you, access the online portal & mobile app and maximize your study time.

How will Fitch Learning help me succeed?

The Online Study Portal

Access over 120 hours of instructor recordings, watch live classroom webcasts, practice over 3,000 questions, ask instructors questions and analyze your performance.

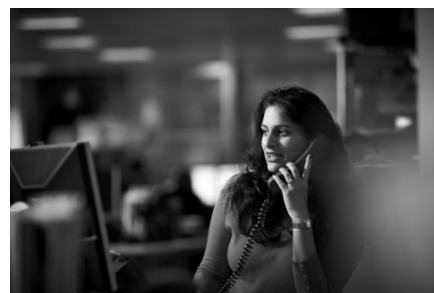

Fitch Learning Mobile App

Maximize your free time and study on the go. Access key portal features offline via the Fitch Learning mobile app.

Global Instructor Helpdesk

Ask questions at your convenience via the Helpdesk. Queries are answered 24/7 so help is available when you need it.

Question Bank and Progress Test

Practice questions whenever you want. Customize tests by study session or reading to focus on the areas you want to practice.

Mock Exams

Prepare for the real exam by completing either an online or fully invigilated 6-hour mock exam. Assess your performance and remedy your weak areas via the online mock debrief.

Save 15% on any Fitch Learning study package for the CFA® Exams
