

**PETERS & CO. LIMITED**, an integrated investment dealer headquartered in Calgary, Alberta, specializing in the Canadian energy industry, currently requires an energetic self-starter as a:

### **CORPORATE FINANCE ANALYST – FULL TIME**

As a member of our corporate finance team, this individual will work on merger and acquisition assignments and equity financing transactions. In addition, this individual will help maintain databases and prepare presentations. This position requires an understanding of financial statement analysis and valuation methods, as well as advanced skills in financial modeling. Attention to detail and accuracy is essential.

Educational credentials should ideally consist of an undergraduate degree in business, with a major in finance or accounting. Financial, accounting and/or oil and natural gas related work experience would be an asset, but is not required. The ideal candidate will possess the following:

- Completion of or enrolment in the CFA program;
- Advanced Microsoft Excel, PowerPoint, and Word skills;
- Strong understanding of accounting and financial statement analysis;
- Above average work ethic and motivation;
- Willingness to work long hours;
- Ability to manage multiple tasks and meet deadlines; and
- Excellent written and oral communication skills.

**We appreciate all applicants' interest; however, only candidates under consideration will be contacted.** If you are highly motivated and are seeking an entry-level position in corporate finance specializing in the Canadian energy industry, please submit your resume and transcripts along with a cover letter to:
