Ross Smith Asset Management (“RSAM”) is a Calgary-based investment manager founded in 2007. The firm manages two hedge funds focused on relative value arbitrage and event-driven strategies.

RSAM is recruiting for an Investment Analyst. Role specific responsibilities include:

- Building and maintaining financial models;
- Performing in-depth company research and security analysis across the capital structure;
- Reading and analyzing financial statements, prospectuses, circulars and other company filings;
- Monitoring live market conditions and executing purchase and sale transactions;
- Assisting with the trading of equities, fixed income, derivatives and other securities;
- Facilitating data exchange and comparison between trade counterparties, prime brokerage and internal systems;
- Participating in the day-to-day management, reporting and monitoring of the Fund.

The ideal candidate:

- Has a proven track record of strong performance in an analytical role in the financial industry (investment banking, research, trading or related areas);
- Has a passion for investing and financial markets;
- Has a competitive drive and a strong desire to learn;
- Has a University degree in commerce, economics, mathematics or engineering;
- Has a strong aptitude for financial modeling and considerable experience with Microsoft Excel;
- Has sound knowledge of finance, economics and investing;
- Is able to work in a high-performance culture, under pressure, in a trading desk environment;
- Is able to work long hours;
- Is enrolled in, or has completed the CFA program.

It is anticipated the successful candidate will become an important member of the portfolio management team at RSAM and become an integral part of our future growth and success. Interested candidates should forward their resume and cover letter to Julian Klymochko, CFA at jklymochko@rsam.ca. We thank all applicants for their interest, however, only candidates selected for an interview will be contacted.
