

Position Name: Senior Advisor, Corporate Finance

Posting Number: 22690

Location: Calgary, AB

JOB OVERVIEW

Reporting to the Director Corporate Finance, the Senior Advisor is responsible for providing financial advisory services to business units. The Senior Advisor serves as a technical finance resource to the company, leads cross functional project teams, negotiates multi-million dollar agreements and maintains strong relationships with internal and external stakeholders.

The Corporate Finance team is responsible for the development, execution and maintenance of Suncor's capital structure, including the optimization of debt, equity and liquidity. The Corporate Finance team aims to provide valuable financial services and strategic solutions to business partners, while ensuring that appropriate controls, compliance and risk management are in place.

KEY ACCOUNTABILITIES

- Partner with business units to provide value-added financial advisory services
- Lead cross functional project teams and serve as a technical resource
- Demonstrate expertise in developing or applying models to resolve issues and provide well thought out recommendations
- Review multi-million dollar contracts, identify exposures and negotiate favorable terms
- Prepare high quality presentations for external and internal audiences, including the development of presentations for credit rating agencies
- Develop, implement and monitor compliance with financing policies
- Identify and analyze new financing opportunities
- Corporate Finance project work

REQUIRED QUALIFICATIONS

- University degree required
- Professional designation i.e. CFA, CA, MBA or other
- Extensive experience in corporate finance or treasury
- Effective communication skills, with the ability to explain complex, technical financial concepts and present them in succinct terms to senior management and business units
- Non-authoritative and collaborative leadership skills
- Strong customer service mindset to support business units and functions
- Ability to make sound business decisions and negotiate agreements
- Ability to understand the big picture and think strategically beyond tasks
- Understanding of financial management theory, including asset/liability management, cost of capital and capital allocation
- Financial modeling skills - experience with Excel and Bloomberg

- Proven team player with the ability to interact positively with internal and external stakeholders

WHY SUNCOR
