

Investing in the future..... that's what we do.....for our clients **and** our team. We didn't get to be one of Canada's largest fund managers by only growing our investments. At AIMCo, we grow our people too. You provide the capability and desire....we'll provide the opportunity for you to progress your career with an investment fund manager that manages a portfolio of over \$67 billion.

We invest globally. To do that successfully, we embrace talent with new ideas, fresh thinking.....and those who make it a personal objective to "do things better".
