

Energy Research Associate

Casimir Capital Ltd. (Casimir) is a full service natural resource focused investment bank headquartered in New York City, with offices in Calgary and Toronto (Canada), Melbourne (Australia) and Sao Paulo (Brazil). Casimir takes a focused and disciplined approach to investment banking by focusing on the energy and metals and mining industries. This allows us to specialize, and gives us an edge.

Casimir is undertaking an expansion of its energy business and currently has an opening for an **Energy Research Associate**. Research Associates play an integral role in the Equity Research department by providing crucial assistance to our Equity Research Analysts.

The successful candidate will play an active role in ongoing company coverage, including maintaining valuation models, preparing research notes, and researching new companies for inclusion in our active coverage universe. The candidate will ideally bring a solid industry technical background, with some reservoir engineering experience a plus.

Key Responsibilities:

- Prepare morning notes in response to market events impacting our coverage universe;
- Update and build valuation models and type curves;
- Perform in-depth company, financial and industry analysis to evaluate the potential performance of energy stocks;
- Perform technical evaluation of reservoir data, including offshore and international assets.

Qualifications:

- 1-4 years of relevant work experience in the energy sector, ideally with exposure to corporate development and/or reservoir, drilling, or completions engineering concepts
- Self-starter and able to work independently;
- Strong written and oral communication skills and ability to convey ideas succinctly;
- Financial modeling skills, including a strong foundation in Corporate Finance;
- Experience with GeoScout / AccuMap desirable; and
- Professional credentials, including CFA, MBA, P.Eng, P.Geol, P. Geoph. preferred. We will also accept resumes of E.I.T.'s (engineers in training).

Please apply by sending your resume to calgary@casimircapital.ca.

The deadline for submission is February 15, 2012 however qualified candidates will be contacted shortly after receipt of their application.

All applications will be kept strictly confidential. We appreciate all applications however only those individuals selected for an interview will be contacted.
