

CFA Columbus Event Attendance Policy

Due to a high number of late cancel/no shows for events last year, partnered with an increase in our programming events/costs, CFA Columbus has implemented a new attendance policy effective July 1, 2016.

Moving forward, if you are registered for an event and are unable to attend, a cancellation must be received by the RSVP date. We understand that things will change unexpectedly, on occasion, so we are allowing one “free” missed event without penalty. After the second event has been missed without cancelling by the RSVP date, we will require that event fee (lunch \$40/dinner \$75) be paid before another event can be attended.

If you have any questions, please do not hesitate to reach out to me montenaj@yahoo.com.
