

## The World in 2017 forecasting challenge: Mr. Matěj Turek, CFA among the best 0.25% forecasters!

We would like to congratulate to our CFA Society Czech Republic Board Member, Mr. Matěj Turek, CFA for his great success in the **World in 2017 forecasting challenge** organized by **Good Judgement Open** (<https://www.gjopen.com/>) and sponsored by **The Economist**. Matěj got to the best 0.25 % forecasters (placed 9th out of 4 030 competitors) and showed his ability to predict the political, economic, and cultural events featured in the annual compilation of predictions.

Matěj Turek is a portfolio manager in Meridon Funds SICAV plc. Before joining Meridon, Matěj was a manager in the EY's Valuation & Business Modelling group in Prague where he specialized in valuing businesses and assets and supporting clients in formal and informal restructurings. Matěj has led various projects for clients in the Czech Republic as well as other countries of Central and Eastern Europe. Matěj graduated in Economics from the Institute for Economic Studies at Charles University in Prague. He earned his CFA charter in 2010.

We are about to prepare a workshop with Matěj Turek for the next year to provide you with a more detailed information how to participate (and succeed) on this and similar forecasting challenges.
