

## Equity Research Analyst

SupportSave Solutions, Inc., is seeking to hire a permanent, full time, (40 hours a week), Equity Research Analyst to join our team (Possibly Management) based in based in Cebu City (or Manila).

The Analyst will be responsible for conducting in-depth research, and for developing investment recommendations, on companies in a wide variety of industries, predominantly with market caps less than \$500MM USD, as well as keeping internal research on the BPO industry up-to-date as it pertains to SupportSave. Geographical coverage is likely to be broad, but with a primary focus on the US Markets.

The successful candidate will:

- Have an outstanding academic background, including a post-graduate degree (MSc and/or MBA);
- Demonstrate superior analytical ability, with strong mathematical and computer skills;
- Hold a relevant professional qualification, ideally the CFA;
- A fundamental, bottom-up approach to research which fits with the existing investment approach of the team;
- Have superior communication skills. He/she must be able to articulate investment recommendations with conviction;
- Demonstrate a strong work ethic, and attention to detail;
- Be a fluent English speaker.

Please send your CV and a cover letter to [Chris@SupportSave.com](mailto:Chris@SupportSave.com)
