

HEDGE FUND- SENIOR BIOTECHNOLOGY ANALYST

By:
The Galt Group
Paul Manfredi & Cheryl Solit MD, MBA
Healthcare Recruiting

Date: August 2, 2007

Position: Healthcare hedge fund seeks senior biotechnology analyst. This position has two possible profiles. **First**, a seasoned buy-side biotech analyst with several years experience in another fund. **Alternatively**, we will consider candidates with strong clinical background and little direct investing experience. Prefer MD training. Investing style requires deep fundamental research approach.

Location: NY
