

Portfolio Manager

Pinnacle Capital Management, a three year old boutique investment management firm and affiliate of one of Central New York's largest financial services firms, Pinnacle Investments, is seeking an experienced portfolio manager. The portfolio manager will serve on the investment committee of Pinnacle Capital Management and contribute to the management of the firm's rapidly growing \$325 million of assets under management. Strong interpersonal skills and the ability to work in a team environment are a requirement. A minimum of 5 to 7 years experience, series 7 and 63, 65, or 66 and an advanced degree are preferred. CFA or CFA Candidate is required.

Pinnacle Capital Management was established in 2006 as part of a venture including Pinnacle Investments, a Syracuse financial services firm formed in 1995, and Unity Mutual Life Insurance Company, a century-old Syracuse life insurance company. The success of the venture has brought to the investment community a firm distinctively committed to its clients and dedicated to sound investment principles. Pinnacle Capital Management provides prudent investment management services to individual investors, corporations, pension funds, foundations, endowments, labor unions, insurance companies, healthcare organizations and governments. It specializes in equity, balanced and fixed Income portfolios.
