

UMB Asset Management Division in Kansas City is seeking two International Analysts for their new fund which is to start in November 2007 with Jim Moffett overseeing two of the international Funds. It will be called the SMID fund and will focus on midsize companies and will do international markets in Europe, China, South America, Asia and other countries. We will need international expertise to add to our team knowledge and are recruiting analysts with small, mid or large cap experience. We expect this fund to be the second largest with \$500 million in assets with two years. Our website is www.umbscoutfunds.com

Please contact Diane Dillane, UMB Recruitment 913-967-6523 or email at diane.dillane@umb.com
