

Kinnear Financial Limited

Suite 2200, 300 – 5th Avenue S.W., Calgary, Alberta, T2P 3C4
Telephone: (403) 532 – 8800 Fax: (403) 532 – 8805

Investment Analyst

This position is responsible for helping to build/analyze financial models, assess investment opportunities, and for assisting senior analyst staff as needed. The position requires a self-motivated individual who is comfortable working in a dynamic, fast-paced environment. An ability to multi-task is critical as well as a flexible approach to solving problems.

Duties and Responsibilities:

- Gathering, compiling and analyzing data from Bloomberg , SEDAR and other sources
- Checking and reconciling information to ensure accuracy
- Analyzing companies and conducting valuations
- Preparation of written reports
- Reviewing files and information prepared by others as appropriate
- Assist the Senior Financial Analysts as needed

Qualifications:

- Relevant university degree
- Enrollment or completion of CFA program a definite asset
- Skills in financial modeling and asset valuation
- Ability to work independently with minimal guidance
- Excellent written and oral communication skills
- Bloomberg experience strongly preferred
- Up to 3 years of relevant brokerage firm, investment banking and/or asset management firm experience an asset.

Interested parties should send their CV and cover letter to Matthew Andrade, CFA at matthew.andrade@kinnearfinancial.com. While we thank all candidates for their application, only those candidates that meet our criteria will receive an interview.
