Bring your passion for delivering exceptional customer service to our Consulting & Client Services department in the following senior level position:

Senior Client Service Consultant

We are seeking an exceptional, self-motivated individual committed to providing excellence in customer service. bcIMC has 50+ large and complex institutional clients, representing about \$80 billion in assets under administration. The Senior Client Service (SCS) Consultant will serve as the lead contact on the business relationship with several of our clients. The position plays a key role in understanding the clients' investment objectives, risk tolerance and legal restrictions. In addition, the SCS Consultant will review and make recommendations on clients' investment policy decisions.

The successful candidate will typically have 5+ years of direct experience in the financial industry, subsequent to completion of a Bachelor Degree in a related field. A Master's Degree, Chartered Financial Analyst or similar designation, is strongly preferred for this position. Industry experience should include a broad understanding of the legal framework, capital markets and their role in achieving clients' objectives. A demonstrated ability to produce executive-level correspondence is also required.
