

Senior Advisor, Treasury 2010-0020

Talisman Energy Inc. is a global, diversified, upstream oil and gas company, headquartered in Canada. Talisman's three main operating areas are North America, the North Sea and Southeast Asia. The Company also has a portfolio of international exploration opportunities. Talisman is committed to conducting business safely, in a socially and environmentally responsible manner, and is included in the Dow Jones Sustainability (North America) Index. Talisman is listed on the Toronto and New York Stock Exchanges under the symbol TLM. Please visit our website at www.talisman-energy.com.

Talisman Energy is seeking a Senior Advisor for its Treasury group. Reporting to the Assistant Treasurer, the successful candidate will be the primary advisor for financial strategies relating to Talisman Energy's entry into new business areas.

Responsibilities:

- Providing finance support/advisory to commercial activities (such as corporate and asset acquisitions, partner relationships, development projects, marketing arrangements, etc.) including:
 - Financial due diligence – issue identification, transaction and commercial review from financial perspective, document review, discussion with senior management of Talisman and counterparties in order to identify and resolve issues, reporting results of review, etc.
 - Representing Finance in development of commercial agreements and other documents.
 - Identifying risks and issues and resolution of such financial issues as they relate to commercial transactions.
 - Coordinating/negotiating with banks and other third parties (developing general banking strategies, maintaining relationships with banks.)
- Participating in senior multidisciplinary "deal teams" with little guidance from superiors, represent Finance both within and outside Talisman on complicated and high profile transactions.
- Being flexible and willing to travel on short notice to various international locations as required – adaptable and able to "fire on all cylinders" regardless of whether the offices are in remote locations. Dealing on a professional basis with wide variety of people, most at a senior level.
- Evaluating and researching sanctions and other restrictions and regulations surrounding banking, payments, etc., in various jurisdictions.
- Participating in a large number of complex ad hoc activities.
- Providing support to the Corporate Finance, Treasury, and Insurance teams.

Requirements:

- CFA/CA/MBA strongly preferred
- 10+ years experience in a corporate or banking advisory role
- International experience an asset
- Oil & Gas experience preferred
- Experience with ISDA's an asset

Candidate Profile:

- Exceptional analytical skills & attention to detail
- Innovative with a bias for action (continuous improvement)
- Very strong written and oral communication skills
- Proven experience of building successful working relationships with both internal and external stakeholders
- Ability to work in a project-based environment
- Flexibility to travel extensively during time of support to our regional offices
