Macquarie Securities Group (MSG) encompasses Macquarie's institutional cash equity, equity derivatives, equity research and equity finance activities.

We are currently seeking a Trading Assistant for our Vancouver office. This position is a hands-on role that will offer you the opportunity to build work with the Sales Trading team in Vancouver, and also develop relationships with the broader team across Canada. You will be responsible for booking trades, supervising the settlement process, assisting in inventory management and providing support to the Equity Traders during high volume periods.

To be successful in this role, you will have:

- a university degree with strong academic results
- completed or are working towards completing the CSC/CPH
- exceptional attention to detail
- excellent communication and interpersonal skills
- ability to multi-task in a high pressure environment
- some experience with using trading software
- interest in pursuing the CFA designation
