

# CFA VANCOUVER CONGRATULATES OUR NEWEST CHARTERHOLDERS.

*These exceptional individuals have successfully completed the three levels of the CFA Program and worked as investment professionals for a minimum of four years. As CFA charterholders, they are fully prepared to lead the financial industry in pursuit of excellence, having demonstrated comprehensive knowledge of finance and analytics, and, just as importantly, commitment to the highest standards of ethical and professional conduct, of which their employers and clients will be the true beneficiaries. Regardless of where their careers take them, may they always be guided by these same benchmarks.*
