(CALGARY, AB) – CFA Society Calgary hosts the 12th Annual Oilfield Services Forecast Breakfast on Wednesday, April 18th, 2018 at Hudson Event Centre.

With the current depressed price environment for oil and gas, Canadian service companies have been forced to adopt new strategies to cope with the downturn. Tactics include developing new technologies to drive down costs, geographic diversification, vertical integration or specializing in specific areas of the E&P process. Please join our speakers in describing their strategies used to create long term value in the current challenging environment and their general outlook of the oil and gas services sector.

Moderator: Vern Malcolm, CFA - Director of Growth & Transition, BDC Capital

Panelists: Fernando Aguilar - President and Chief Executive Officer, Calfrac Well Services

Jeff Fetterly, CFA - Principal, Oilfield Services Analyst, Peters & Co.

Craig Nieboer, CA - Chief Financial Officer, CES Energy Solutions
