(CALGARY, AB) – CFA Society Calgary opens new office space in downtown Calgary and announces partnership with National Bank Independent Network.

CFA Society Calgary is pleased to announce the grand opening of their new office space in downtown Calgary. Located at 1780-700 6th Avenue, S.W., the office features a training room, four professional offices, reception area, and 14-person executive boardroom.

Additionally, the Society is pleased to announce their new partnership with National Bank Independent Network, the sponsor of the new 900 square foot training room within the space. “As part of our commitment to independent investment firms across Canada, National Bank Independent Network is proud to sponsor this new facility in Calgary,” says Christine Rodrigues, Senior Vice-President & Chief Operating Officer for National Bank Independent Network.

With the growth in membership numbers and activity over the past few years, the CFA Society had outgrown its offices in Bow Valley Square and made the move to benefit its members. The space can now be used to host members, CFA Program candidates, and colleagues both within, and external to the organization, and gives CFA Society Calgary a strong presence in the downtown finance community.

November 1, 2018 is the grand opening celebration.
