

CFA SOCIETY CZECH REPUBLIC: ABOUT US

Setting the global standard for investment professionals

The CFA Society Czech Republic promotes the highest ethical standards and professional excellence within the Czech investment community. The society is an association of local investment professionals, consisting of portfolio managers, security analysts, investment advisors and other financial practitioners. The society has successfully served CFA charterholders and CFA Program candidates from the Czech Republic and Slovakia since May 2002.

MISSION

The mission of the CFA Society Czech Republic is to:

- Promote the highest ethical and professional standards within the Czech investment community
- Encourage professional development through the CFA Program and continuing education
- Facilitate the exchange of information and opinions among people within the local investment community and beyond
- Further enhance the public's understanding of the CFA charter and the investment industry as a whole.

ABOUT CFA INSTITUTE

CFA Institute is the global association for investment professionals. It administers the CFA and CIPM curriculum and exam programs worldwide; publishes research; conducts professional development programs; and sets voluntary, ethicsbased professional and performance reporting standards for the investment industry. CFA Institute has over 105,000 members, who include over 96,000 CFA charterholders, in 138 countries and territories, as well as 135 affiliated professional societies in 58 countries and territories.
