

**The CFA Society Czech Republic is proud to be part of the CFA Societies Passport Program and welcomes members of other societies to its events.**

If you are a member of other CFA Society and would like to attend one of our events please register as indicated in the invitation attached to the event in our Event Calendar on our home page and email us at [info@czechcfa.cz](mailto:info@czechcfa.cz) to let us know what society you are from and whether you would like us to log CE credits for you.

**Registration fee** – We offer all of our events to our members free of charge except for our Forecasting Dinner where our members pay a reduced 50% fee. Other societies' members are welcome to attend our events at the same terms as our own society members.

**Events available** – Other societies' members are welcome to attend all events our society organises for its members. The only exception is the Annual General Meeting. Other societies' members are, however, most welcome to join us at the Annual Dinner for society members, which follows after the AGM.

**CFA Candidates** – If you are a CFA candidate you might want to consider becoming a member of your local society in order to enjoy this membership benefit.
