

CFA® Review Course 4th Series of CFA® Level III - Review Course

7 December 2019 – 23 May 2020

Exam Focus: June 2020

The Chartered Financial Analyst® (CFA®) Program is a graduate-level program that provides a strong foundation of the skills and knowledge needed to succeed in today's competitive world of investing and finance. It combines a broad-based curriculum of investment principles with professional conduct requirements. It is administered by CFA Institute (www.cfainstitute.org), the global not-for-profit organization of investment professionals.

Global Recognition

With a six-decade history of maintaining a rigorous focus on globally relevant investment knowledge, the CFA® Program is the most widely known and respected investment credential in the world. It is recognized by the global investment community as the highest educational and professional excellence standard.

Career Advantage

Employers recognize the CFA® charter as the definitive standard of competence, integrity, and dedication of investment professionals. The CFA® Program stands out at every stage of your career and equips you with the practical and fundamental knowledge you need for the investment profession. There is no better way to demonstrate your commitment and your ability to perform at a high level in the investment profession than by enrolling in and completing the CFA® Program.

Practical Skills

The CFA® Program curriculum focuses on the practical knowledge and current skills necessary in the global investment management profession. These skills can be immediately applied on the job and evolve each year to include new tools, ideas, frontier concepts, and lessons to reflect the dynamic and complex nature of the global investment profession.

Community

Earning the CFA® charter places you in the company of an elite group of nearly 110,000 respected investment professionals. Access to their collective expertise, networks, and resources is an invaluable asset.

Hellenic Capital Market Commission & Bank of Greece

The Hellenic Capital Market Commission and the Bank of Greece - regulators of investment services in Greece - recognize that CFA® Charter holders are entitled to the highest certificate of "Securities & Market Analyst" (certificate level "δ"), without having to sit for the examinations whose curriculum is covered by the CFA Program.¹

The CFA® Program

The CFA® program requires candidates to study for and pass three levels (I, II & III) of exams and meet other requirements, such as, 4 years of relevant work experience in order to earn a CFA® charter. In general, each level of the CFA® program requires a minimum of 300 hours of personal study, although time will vary based on familiarity with the material. To name a few of those who pursue the CFA® charter: Financial analysts, Securities & Investment managers, Securities & Derivatives traders, Portfolio managers, Financial planners, Relationship officers, Risk managers, Chief Financial Officers of corporations.

CFA® Program Exam Registration Requirements

You must be prepared to take the exams in English and understand the professional conduct requirements. *You must have a valid international travel passport required for enrollment and exam registration. On exam day, passport number, expiration date, and personal details on your passport must match the information you provided to CFA Institute upon registration.*

CFA Society Greece & Hellenic Banking Institute CFA® Review Course

The CFA Society Greece, in partnership with the Hellenic Banking Institute of the Hellenic Bank Association, offers a CFA® Review Course for level III of the CFA® Study and Examination Program. This Review Course provides candidates with a structured, classroom-based approach to preparing for the exam. It is designed to assist candidates in mastering the Candidate Body of Knowledge™ (CBOK™) that is attached.

Structured Classroom-based Instruction

Weekly classes provide structure for a disciplined pace of preparation. The focus is on the comprehension of the assigned materials in the Study Guides with an emphasis on the Learning Outcome Statements (LOS). Total class duration amounts to approximately 45 hours, as following:

Class Day	December 2019	January 2020	February 2020	March 2020	April 2020	May 2020	June 2020
Saturday	7	25	1, 15, 22	7, 14	11, 25	2, 16, 23	Official exam

* Saturday classes start at 09:00 a.m. and last for 6 hours in approximation.

¹ CFA charter holders are exempted from all modules except from the "Capital market regulatory framework".

Supplementary Study Materials Included

As an extra bonus at no additional charge, the *Schweser Essential™ Prep Package* (Retail Price: \$649) is provided to all candidates (available for pick-up as soon as shipment arrives), including:

- Schweser (Study) Notes™
- Schweser's QuickSheet™
- SchweserPro™ QBank (Online)
- Practice Exams, Vol. 1 & Vol. 2
- InstructorLink™ (partial access)
- Searchable FAQs & Exam-tips Blog
- Online Practice Exams

Practice Tests & Mock Exams

Two interim practice tests and two final mock exams, which are provided by Schweser, Kaplan and the Boston Society of Security Analysts, will assist candidates in assessing their strengths and weaknesses. These will be held in the context of the continuous monitoring of the candidates' progress throughout the course that will be evaluated on the basis of attendance to classes as well as practice and mock exam scores.

4th Series of CFA® Level III - Review Course

Η εκπαιδευτική διαδικασία συνιστά σχέση αμφίδρομης ουσιαστικής επικοινωνίας εκπαιδευτών και συμμετεχόντων. Η αποτελεσματικότητα της επικοινωνίας αυτής καθορίζεται σε μεγάλο βαθμό από το σχετικό με το σεμινάριο υπόβαθρο, τις ανάγκες και τις προσδοκίες των συμμετεχόντων.

Συγκεκριμένα, χαρακτηριστικά όπως η εργασιακή εμπειρία, το εκπαιδευτικό υπόβαθρο των συμμετεχόντων και τα ειδικότερα οφέλη που προσδοκούν αυτοί να αποκομίσουν από το εκπαιδευτικό πρόγραμμα συνιστούν καθοριστικούς παράγοντες, που πρέπει να συνεκτιμώνται για την αποτελεσματική προσαρμογή της μεθοδολογίας που θα χρησιμοποιήσουν οι εισηγητές.

Τα παρακάτω στοιχεία είναι απολύτως εμπιστευτικά και θα χρησιμοποιηθούν μόνο από το ΕΤΙ. Οι πληροφορίες αυτές θα βοηθήσουν τους εισηγητές να διαμορφώσουν το κατάλληλο εκπαιδευτικό «μείγμα» που θα μεγιστοποιήσει το δικό σας όφελος.
