

CFA[®] Review Course

4th Series of CFA[®] Level-I Review Course

organized by the **Hellenic CFA Society** and **Hellenic Bank Association**

Exam Focus: June 2011

The Chartered Financial Analyst[®] (CFA[®]) Program is a graduate-level program that provides a strong foundation of the skills and knowledge needed to succeed in today's competitive world of investing and finance. It combines a broad-based curriculum of investment principles with professional conduct requirements. It is administered by CFA Institute (www.cfainstitute.org), the global not-for-profit organization of investment professionals.

Global Recognition

With a six-decade history of maintaining a rigorous focus on globally relevant investment knowledge, the CFA[®] Program is the most widely known and respected investment credential in the world. It is recognized by the global investment community as the highest educational and professional excellence standard.

Career Advantage

Employers recognize the CFA[®] charter as the definitive standard of competence, integrity, and dedication of investment professionals. The CFA[®] Program stands out at every stage of your career and equips you with the practical and fundamental knowledge you need for the investment profession. There is no better way to demonstrate your commitment and your ability to perform at a high level in the investment profession than by enrolling in and completing the CFA[®] Program.

Practical Skills

The CFA[®] Program curriculum focuses on the practical knowledge and current skills necessary in the global investment management profession. These skills can be immediately applied on the job and evolve each year to include new tools, ideas, frontier concepts, and lessons to reflect the dynamic and complex nature of the global investment profession.

Community

Earning the CFA[®] charter places you in the company of an elite group of nearly 90,000 respected investment professionals. Access to their collective expertise, networks, and resources is an invaluable asset.

Hellenic Capital Market Commission

Hellenic Capital Market Commission, the regulator of investment services in Greece, recognizes that CFA® Charter holders are entitled to the highest certificate of “Securities & Market Analyst” (certificate level δ’), without having to sit for the related examinations.

The CFA® Program

The CFA® program requires candidates to study for and pass three levels (I, II & III) of exams and meet other requirements, such as, 4 years of relevant work experience in order to earn a CFA® charter. In general, each level of the CFA® program requires a minimum of 250 hours of preparation, although time will vary based on familiarity with the material. To name a few of those who pursue the CFA® charter: Financial analysts, Securities & Investment managers, Securities & Derivatives traders, Portfolio managers, Financial planners, Relationship officers, Risk managers, Chief Financial Officers of corporations.

CFA® Program Entrance Requirements

You must have a bachelor's (or equivalent) degree or be in the final year of your bachelor's degree program at the time of registration or have four years of qualified, professional work experience. You must be prepared to take the exams in English and understand the professional conduct requirements. Finally, you must have a valid international travel passport required for enrollment and exam registration (Effective: 1 January 2011). For more information on exam (June 5th, 2011) registration, visit the CFA® Institute website at <http://www.cfainstitute.org/cfaprogram/process/Pages/index.aspx>

Hellenic CFA Society & Hellenic Bank Association CFA® Review Course

The Hellenic CFA Society, in partnership with the Hellenic Banking Institute of the Hellenic Bank Association, offers a CFA® Review Course for level I of the CFA® Study and Examination Program. This Review Course provides candidates with a structured, classroom-based approach to preparing for the exam. It is designed to assist candidates in mastering the Candidate Body of Knowledge™ (CBOK™) that is attached.

Structured Classroom-based instruction

Weekly classes provide structure for a disciplined pace of preparation. The focus is on the comprehension of the assigned materials in the Study Guides with an emphasis on the Learning Outcome Statements (LOS). Total class duration amounts to approximately 80 hours, as following:

Class Day	January	February	March	April	May
Weekday class*		8th, 15th	1st, 29th	12th	3rd, 10th
Saturday class**	29th	5th, 19th, 26th	12th, 19th	2nd	7th

* Weekday (Tuesday) classes start at 06:00 p.m. (or 5:30 p.m.) and last for 3 hours in approximation.

** Saturday classes start at 09:00 a.m. and last for 6 or 7 hours in approximation.

Supplementary Study Materials Included

As an extra bonus at no additional charge, the *Schweser Essential™ Prep Package* (Retail Price: \$599) is provided to all candidates (available for pick-up as soon as shipment arrives), including:

- Schweser (Study) Notes™
