

RON DESANTIS
GOVERNOR

February 7, 2020

Dear Friends:

It is my pleasure to welcome you to Florida A&M University for the CFA Societies of Florida's Ethics Challenge. Thank you for your efforts to educate students on challenges they may face in the business world and prepare them for the workforce.

Florida is one of the most attractive states to start or grow a business, and I am focused on creating a business environment that will take our economy to new heights. As Governor, I appreciate your efforts to create a stronger and more ethical financial industry. By encouraging Florida's students, the leaders of tomorrow, to embody high standards of personal and professional behavior, we set the stage for a brighter and more prosperous future for us all.

Best wishes for a memorable event.

Sincerely,
