Overview

CFA Society Pakistan is pleased to collaborate with The Marquee Group to offer professional development training.

About CFA Society Pakistan

CFA Society Pakistan is the premier professional body for investment professionals locally: the place to connect with CFA Charterholders, grow professionally by sharing ideas and utilizing the numerous learning opportunities, project yourself in your areas of expertise, stay abreast of new developments in your field, and give back to your profession and Institute by sharing knowledge and experiences. Our goal is to create value for our members by providing relevant learning opportunities, career resources, membership support, networking, and leadership opportunities.

Instructor Profiles

Hassan Ahmed, CFA (confirmed)

DIRECTOR, MIDDLE EAST AND ASIA
HASSAN.AHMED@MARQUEEGROUP.CA

Hassan supports The Marquee Group’s growing consulting practice, delivers financial modeling training programs as an instructor, and leads the firm’s expansion efforts in the Middle East and Asia. Hassan strongly believes that data manipulation and financial modeling are fundamental communication tools for finance professionals.

At Marquee, Hassan has also worked on consulting mandates across various industries. His engagements have included building a financial forecast model for a private equity-backed U.S. aerospace parts manufacturer to facilitate a capital raise and building the DCF and comparable company analyses for a $50 mm LBO of a private firm.

Prior to joining Marquee, Hassan was a management consultant with Deloitte in the Middle East covering a wide array of industries including financial services, real estate, oil & gas, and mining.

Hassan received his Master of Business Administration degree with Distinction from the Ivey Business School at the University of Western Ontario and is also a CFA Charterholder. He holds a Bachelor of Commerce degree from the John Molson School of Business at Concordia University.

Ian Schnoor, CFA (subject to availability)

PRESIDENT AND FOUNDER
IAN.SCHNOOR@MARQUEEGROUP.CA

Ian started the business in 2002 and has built The Marquee Group into a leading provider of financial modeling training, consulting and accreditation.

Over the years, Ian has taught thousands of business professionals and university students in Canada, the United States, the United Kingdom, Australia and Mexico. Ian is passionate about teaching and brings a hands-on, interactive approach to every course. He has developed a framework and discipline for building models.

In 2014, Ian was the recipient of the “Instructor of the Year” award in the Master of Finance program at the Smith School of Business at Queen’s University.

Prior to establishing The Marquee Group, Ian spent a number of years in the Investment Banking departments at Citigroup and BMO Capital Markets. Ian completed his Bachelor of Commerce Honours degree with academic distinction from the University of Manitoba and has also attained the Chartered Financial Analyst (CFA) designation.
The Marquee Group has been a leading provider of financial modeling and valuation training programs since 2002.

We have taught thousands of professionals all across Canada, the United States, the United Kingdom, Mexico, Australia and China.
