

Webinar

Power and Petroleum – Reforming for Sustainability

Join us in a conversation with Mr. Tabish Gauhar, Founder and Chairperson, Oasis Energy on a discussion on the current state and outlook for Pakistan's energy supply chain comprising petroleum and power sector. Mr. Gauhar has served as Special Advisor to the Prime Minister for both Power and Petroleum and has played a vital role in reforming these sectors in Pakistan. He will share his vision for the energy sector and shed light on what would be the broad contours of his reform plan with timeline for putting the sector on economically, socially and environmentally sustainable path.

The session will be moderated by Mr. Asif Ali Qureshi, CFA, Executive Chairman, Optimus Capital Management (Private) Limited.

Date: Wednesday, 6th October 2021

Time: 4:00 PM (PST)
