

2008 Market Forecast Luncheon Speaker Bios

Dr. Ked Hogan, Barclays Global Investors

Ked Hogan is a senior member of the Global Market Strategies Group and the Advanced Strategies and Research Group. Ked came to BGI in 1996 from McGill University, where he was an assistant professor of finance. Ked is currently responsible for equity market research for the Global Ascent, Active International Equity and Japan four-way TAA strategies. His previous responsibilities at BGI also included research on developed and emerging currencies and global sovereign bond markets. His research has been published in many academic journals including The Journal of Finance and The Journal of International Economics. Ked received his PhD in economics from Arizona State University.

Rachel Golder, Goldman Sachs

Rachel co-heads the High Yield product within GSAM and also serves as the head of the High Yield and Investment Grade credit research teams.

Rachel joined Goldman Sachs as a vice president and senior analyst on the High Yield team in GSAM in 1997. She was named head of High Yield Credit Research in 2000, head of Global Credit Research in 2003 and co-head of the High Yield team in 2005. Rachel became a managing director in 2003.

Prior to joining the firm, she was a High Yield Credit Analyst and Portfolio Manager at Saudi International Bank, an affiliate of JPMorgan.

Rachel earned a BA in Music, magna cum laude, from Yale University in 1983.
