## INVESTMENT RESEARCH CHALLENGE

The CFA Institute Research Challenge is an annual global competition that provides university students with hands on mentoring and intensive training in financial analysis. Students gain real world experience as they assume the role of a research analyst and are tested on their ability to value a stock, write an initiation-of-coverage report, and present their recommendations.

CFA Seattle is participating for the 7<sup>th</sup> year and the competition is underway. The winner of this year's competition advancing to the Americas Regional competition during the week of April 11<sup>th</sup>, 2016 in Chicago, Illinois.

Participating schools for 2016 are:

- Pacific Lutheran University
- Seattle University
- University of Puget Sound
- University of Washington Bothell
- University of Washington Computational Finance & Risk Management
- University of Washington Foster Business School
- Western Washington University

Company presentations at subject company **Esterline** were held in October 2015 and each team's written report was submitted on January 8<sup>th</sup>. Teams are in the final stage of the competition which will be an oral presentation in front of a panel of local experts in February . We encourage our members and guests to attend the oral presentations and will communicate details of the event to our mailing list when finalized.

CFA Seattle expresses their sincere and deep appreciation to **Kaplan Schweser** for their ongoing financial support to this annual event!
