

Todd Jablonski, CFA - Chief Investment Officer

Todd is the Chief Investment Officer for Principal Portfolio Strategies, an investment boutique within Principal Global Investors. Promoted to this role in 2018, he is responsible for investment management, product development, and risk management across the boutique. Todd serves as a Co-Portfolio Manager on our target risk asset allocation suite, our first active multi-asset high income ETF, and our Global Income strategy. He joined Principal in 2010 and has been in the investment industry since 1998. Previously, he was an Executive Director and Portfolio Manager for UBS, and a Vice President and Portfolio Manager for Credit Suisse. He received an MBA from New York University with a concentration in quantitative finance and a bachelor's degree in economics from University of Virginia. Todd has earned the right to use the Chartered Financial Analyst designation.
