COURSE OVERVIEW

The Claritas® Investment Certificate is a comprehensive global program designed to give all professional disciplines in financial services outside of investment roles a clear understanding of the investment industry and their professional responsibilities within it. The workforce competence of mid to back office staff in financial institutions is raised when employees understand industry functions, relationships and their role and professional responsibilities, helping them see where they fit in the big picture.

This program will benefit anyone working from client services to compliance; from human resources to IT; from sales and marketing to legal services.

CFA Singapore Society, a non-profit organization with more than 15 years of experience in conducting CFA Charter courses, is offering **The CFA Singapore Claritas® Preparatory Course** that helps you to pass the CFA Institute Claritas® Exam.

ABOUT CFA SINGAPORE

Founded in September 1987, CFA Singapore is the first CFA member society of CFA Institute outside North America. CFA Institute is a global, non-profit member organization of financial analysts, portfolio managers, and other investment professionals.

The Society runs a whole host of programmes for members, CFA candidates and also the investment community, including Professional Development talks and seminars, Networking sessions, CFA information sessions and examination review classes, and Career Development talks.
