

## ANNUAL INVESTMENT CONFERENCE

### SHAPING A FUTURE -FIT INVESTMENT INDUSTRY

Dear Valued Member

The CFA Society South Africa invite you to be part of this year's annual conference as we focus our attention to how the financial and investment industry can be a force for good investing with impact to create the future economy and society that is needed.

Against this backdrop the agenda and speakers for the conference reflect the commitment of the industry to focus its collective efforts on "Shaping a Future - Fit Investment Industry" that will serve its clients and society at large before it serves itself.

Opening the conference is **Kedibone Dikokwe** of the Financial Services Board, followed by a selection of key note speakers:

*What role should the investment industry lay in creating a society South Africa needs?*

**Delphine Govender**

PHI, the hidden variable in Investment performance

**Anne Cabot-Alletzhauer**

*How can Governments achieve Africa's Growth Goals while adding Economic Value and attracting Investments?*

**Melissa Cook**

*The application of Blockchain Technology in African Financial Markets*

**Monica Singer**

### PANEL DISCUSSION
