BUILDING MARKET INTEGRITY

CFA Society South Africa 2021 Ethics Challenge for Investment Professionals

CFA Society South Africa is delighted to host the inaugural 2021 Ethics Challenge for Investment Professionals.

Ethics embodies the mission of CFA Society South Africa by promoting the highest standards of ethics, education, and professional excellence.

How It Works:

- Registered top 25 participants will be randomly balloted into 5 teams of 5 members.
- Teams receive an ethics case study
- Teams meet virtually using the Society Zoom Conferencing Platform to review, analyze the case study, and prepare a presentation to a panel of judges
- On commencement, each team will have four (4) weeks to prepare and finalize their presentations to present in front of the panel of judges at the final, to be held on the 31st July 2021.
