Dear Member

CFA Society South Africa has recently embarked on the local support campaign for the CFA Institute Brand Campaign, *Let's Measure Up*.

More than just a slogan, *Let's Measure Up* is a dynamic new Brand platform to help accelerate the growth of CFA Institute, the Societies and Charter holders around the world. It's a call to action to the investment industry to uphold values embodied by the CFA Institute and its 149 000 global members.

Let's Measure Up is a rallying cry to ensure that Finance is effectively used for the ultimate benefit of the society.
