

Dear Valued Member

August is Women's Month and CFA Society South Africa would like to recognise and celebrate women in investment management. Through a marketing campaign including broadcast, print and social media and online webinars, CFA Society South Africa aims to put a spotlight on gender diversity by featuring a variety of female CFA charterholders and investment professionals sharing their journey and insights.

A 'happy accident' provided a start to a successful investments career. CFA Institute's Women's Month...

As a society we continue to support and promote initiatives for women in investment management through, mentorship, networking opportunities and the CFA Institute's Women Scholarship Programme.

Please join us for a variety of webinars in August featuring women in investment and diversity
