Dear Valued Member

LOCAL CONFERENCE - A CPD PROGRAMME EVENT

Join us for the 2019 CFA Society South Africa Annual Investment Conference, ***Disruption in Africa*** taking place on the **25th of July 2019** in Johannesburg at the Maslow Hotel, Sandton.

The agenda and speakers of the conference will explore how disruption in its many forms may impact Africa and consider how we can adapt or rather, benefit from these various trends by seeking out how to be 'Antifragile' in a changing world.

CFA Society South Africa is excited to have **Wendy Addison** and **Kweku Adoboli** as part of the speaker line-up. The format of their presentation will be a compelling conversation between the "Whistleblower" and the "Bank Trader violator". To view the full conference speaker line-up [click here](#).

Thank you to our members who have already registered, if you have not done so, register before the **31st of May 2019** and take advantage of the early bird discount, [register here](#).

LET'S MEASURE UP

On behalf of our members, CFA Society South Africa would like to take this opportunity to submit collective commentary on the JSE Consultation Paper; Amendments to the JSE Listings Requirements. We encourage our **members to provide feedback to admin@cfa.ac.za by the 10th of May 2019**. The process is to consolidate all input from our members, circulate submissions and submit all comments from our members to the JSE, withholding personal member information. The investment professionals of the future cannot afford to be silent spectators, we need to stand up, speak up and measure up.
