# **THE YEAR AHEAD WITH ED YARDENI**

**January 21, 2021  
5:30 – 7:30 PM (EST)**

Please join CFA Societies Jacksonville, Naples, South Florida, and Tampa Bay for **The Year Ahead with Ed Yardeni**.

This premier 2021 Economic Outlook event prepares business leaders, advisors and economic development professionals for what's to come. Get exclusive insights you can act on. [making in the upcoming year](#).

**Packed with thought-provoking information and data you won't find elsewhere, it's just what you need to jump start conversations with clients and colleagues and guide your decision making in the year ahead.**

Jennifer Garbowicz, CFA, CIPM will be our moderator for the evening. Plus, you will have the opportunity to ask questions, too!

This event is FREE for CFA Society Members, Society Affiliates, and registered candidates. \$25 for non-members and guests.

Dr. Ed Yardeni is the president of Yardeni Research, Inc., a provider of global investment strategy and asset allocation analyses and recommendations. He previously served as chief investment strategist of Oak Associates, Prudential Equity Group, and Deutsche Bank's US equities division in New York City.

Dr. Ed earned his PhD in economics from Yale University in 1976, having completed his doctoral dissertation under Nobel Laureate James Tobin.

Dr. Ed is frequently quoted in the financial press, including The Wall Street Journal, the Financial Times, The New York Times, The Washington Post, and Barron's. He was dubbed "Wall Street Seer" in a Barron's cover story. He appears frequently on CNBC, Bloomberg Television, and Fox Business.

**The first 350 to register and attend will receive Ed Yardeni's book *Predicting the Markets*. Must attend to receive this book.**
