

CFA Institute Research Challenge

University Participation Pledge 2012-2013

The CFA Institute RESEARCH CHALLENGE offers students the unique opportunity to learn from leading industry experts and compete with peers from the world's top finance and business programs. This annual educational initiative promotes best practices in equity research among the next generation of analysts through hands-on mentoring and intensive training in company analysis and presentation skills. The challenge gathers students, investment professionals, publicly traded companies and corporate sponsors together locally for a real world competition on a global scale.

Universities wishing to enter the competition must return the completed and signed Pledge as a scanned document to CFA Sweden no later than October 1, 2012, to: info@cfasweden.se.
