Milena Olszewska-Miszuris, CFA, ACCA, FSA Credential-holder

Milena is a Management Board member of CFA Society Poland and runs a boutique advisory company (WM Advisory) supporting managements of listed and non-listed companies in value creation. She helps take strategic decisions, improve controlling and accounting departments as well as assists C-level executives in being properly heard and understood by capital markets. Milena possesses over 15 years of experience in finance, out of which 10 years she has spent developing her career as an equity analyst at international brokerage houses. She is a multiple times laureate of analysts rankings for her insights and recommendations both in Poland (Analyst of the Year title awarded by Warsaw Stock Exchange and Parkiet financial newswire, winner of analysts rankings in TMT and retail sectors) and internationally (top CEE analyst and top consumer analyst titles in international Extel survey). She runs trainings on valuation, financial and non-financial analysis, capital markets and storytelling. She is also a supporter of diversity and concentrates her efforts on increasing the number of women on the capital markets and finance in general.

Prof. Krzysztof Jajuga

President of CFA Society Poland, Professor of Economic Sciences at Wroclaw University of Economics (title given by the President of Poland in 1992), Head of Finance Management Institute. He is member in scientific and professional organizations: Member of Executive Board of Committee of Statistics and Econometrics of Polish Academy of Sciences, Member of Executive Board of Committee of Financial Sciences of Polish Academy of Sciences, Member of Executive Board of Committee of Financial Sciences of Polish Academy of Sciences. His research interests are: financial markets and instruments, risk management, corporate finance, real estate, insurance and quantitative methods (econometrics, statistics). He was a member of the Scientific Council of the National Bank of Poland and a member of the Supervisory Board of Warsaw Stock Exchange.

Dmitrij Katkov, CFA

Dmitrij Katkov is a financial analyst, consultant and lecturer with extensive experience in wealth and investment strategy development. He holds lecturing posts at LCC International University, ISM University of Management and Economics and the University of Plymouth. He has taught in 21 countries around the world. His research areas are personal finance, financial strategy and Islamic finance. Currently Dmitrij Katkov is working on enhancing the quality of the professional development programs offered by London School of Economics. He has been engaged in consulting projects for the United Nations, HSBC, LVMH. He is an avid reader. In spare time he enjoys travelling and tasting the world.
ABOUT CFA SOCIETY POLAND

CFA Society Poland was established in 2004 and is one of 150 member societies of CFA Institute. The organisation is present in 70 countries or territories and gathers over 150,000 finance professionals in 165 countries. The Society promotes the highest ethical standards in Polish investment community.

CFA Society Poland gathers professionals involved in broadly defined investment and financial management. This group includes portfolio managers, financial analysts, investment advisors, risk managers and many other finance professionals. CFA Society Poland has successfully supported CFA charterholders and candidates for almost 10 years.

At the moment there are over 600 members in CFA Society Poland and over 2,000 candidates involved in the ongoing CFA® Program.

ABOUT CFA SOCIETY UKRAINE

CFA Society Ukraine is non-governmental, non-for-profit Ukrainian association of investment professionals, representative of the worldwide network of Chartered Financial Analysts® (CFA®) societies that are member societies of global association of investment professionals CFA Institute. We unite more than 300 representatives of the investment profession within the country, which hold CFA® Charter (Chartered Financial Analyst®) or on its way to earn it.

ABOUT CFA INSTITUTE

CFA Institute, a global, not-for-profit organization, is the world’s largest association of investment professionals. With over 164,000 members and 151 local member societies worldwide, the mission is to lead the investment profession globally by promoting the highest standards of ethics, education, and professional excellence for the ultimate benefit of society.

CFA Institute offers a range of education and career resources, including the Chartered Financial Analyst (CFA) credential, the Certificate in Investment Performance Measurement (CIPM) designation, and the CFA Institute Investment Foundations certificate.

CFA Institute is a champion of ethical behavior in investment markets and a respected source of knowledge in the global financial community. An integral part of our mission is to build market integrity through codes of conduct, best practice guidelines, and standards to guide the investment profession. These standards include the Global Investment Performance Standards (GIPS), the CFA Institute Code of Ethics and Standards of Professional Conduct, and the Asset Manager Code (AMC) of professional conduct. A primary focus of our standards is the critical importance of placing client interests first.
