

CFA SOCIETY VICTORIA 9TH ANNUAL FORECAST DINNER

Frances Donald
Economist
Manulife Asset Management

Frances Donald is a senior economist at Manulife Asset Management. As part of the economic team, she forecasts global macro-economic and financial trends and analyzes the potential opportunities and impacts on the company's individual business lines and investments. Prior to joining Manulife, she worked as a financial economist for Scotiabank in Toronto, and before that as a global macro analyst for Pavilion Global Markets in Montreal. Earlier in her career, she held various positions at Deloitte, Roubini Global Economics and Bank of Canada.
