

Thomas Kuh, Ph.D.

Head of Indexes
Truvalue Labs

Thomas Kuh leads Truvalue Index, creating benchmarks for implementing ESG investment strategies through ETFs, mutual funds and institutional accounts. He was Executive Director, Global Head of ESG Indexes at MSCI, where he spearheaded the development of innovative ESG equity and fixed income ESG indexes. His professional experience also includes 16 years at KLD Research & Analytics, and service on the boards of SIRI Company (now Sustainalytics) and the US SIF.

Thomas has an MA and PhD in Economics from University of Massachusetts Amherst and a BA in Political Economy from Hampshire College. He was a Teaching Fellow at Harvard University and Professor of Economics at Simmons College.
