Summary

CFA Institute is offering a series of free, highly interactive, case-based webinars led by CFA Institute staff that will provide participants with the [framework to analyze situations from an ethics perspective](#) (PDF).

Presenters

[Jonathan Stokes](#), Director of Standards of Practice Development and Education

[Glenn Doggett](#), CFA, Director of Standards of Practice

Session will include:

- An examination of the factors that lead well-meaning individuals to make unethical decisions.
- An explanation of how to apply a framework for analysis of ethical dilemmas common in investment practice.
- Several case studies involving real-life situations with the opportunity for participants to vote on the appropriate conduct.
- A facilitated discussion of those studies that allow participants to apply ethical framework.

Participation is free. To participate in a session, you must have access to a computer. To participate in the interactive portion of the webinar, you may do so via an internal computer microphone (if so equipped) or an external microphone connected to your computer.
